

CERTIFICATION

Five Star Group Audit

Provides a quantified outcome with detailed recommendations against a contemporary best practice specification (including the requirements of ISO 45001:2018) over and above current OHSMS standard requirements

Provides a quantified outcome with detailed recommendations against a contemporary best practice specification (including the requirements of ISO 45001:2018) over and above current OHSMS standard requirements. Allows benchmarking of multi sites across business.

Who is the audit for?

Multi-site Organizations within any sector who:

a. require a status assessment of their current OHSMS against best practice b. require a structured route toward best practice status.

Why is the audit right for your organization?

External recognition of OHSMS to best practice standards

- Demonstration to stakeholders and other interested parties (including regulatory bodies) of commitment toward health and safety
- Structured route toward continual improvement and best practice standards

Prerequisites

Over 20 sites/locations within scope of audit.

The audit at a glance

Five best practice indicators

- Five sections
- Fifty-nine (59) elements

How does it work?

On-site review of relevant documentation

- Interviews/discussions with relevant stakeholders (including top management)
- Operational sampling

What your organization will get from the audit

Detailed report

- Detailed recommendations and action planning
- Quantified outcome in all 59 elements
- Benchmarking across different aspects of the specification
- Eligibility for Sword of Honour (if five-star achievers)
- Certification of achievement

Why choose us?

Our audit and consultancy products are regularly reviewed to meet customer needs, expectations, and sector best practice. Consistently high standards of service are achieved through a robust quality assurance process including auditor standardization, training, and performance monitoring. Our technical specialists serve on strategic committees for occupational health, safety, environmental, and wellbeing standards. We have a unique internationally recognized best practice (Five Star) audit process. Industry recognition from awards such as the prestigious Shield, Sword, or Globe of Honour.
